

**SEILER PIANO USA**  
**ADSilent System**  
**\$5,776**

**The Seiler “Ad Silent” system is a state of the art silent practicing system with built in recording functionality. It transforms your piano into a 24/7 practice instrument allowing multiple students to practice simultaneously without interference.**

**Seiler's system allows you to record your performance and send it to your friends, relatives or teachers digitally! The companion AdSilent App allows you to adjust settings on your mobile device. These features are all part of the ever growing offerings from Seiler Piano Technology.**
